Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Tuesday 25 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and the odd shower on Wednesday.

This Evening and Tonight:
Any light showers over southern counties dying out with some late sunny intervals. Thicker cloud over Antrim and Derry will extend south tonight but no more than the odd spot of rain is expected and clear spells will follow overnight. Minimum temperature 4 deg C (39 deg F).

Wednesday:
Any patchy low cloud burning off in the morning then it will be mainly dry with some long spells of sunshine. Patchy cloud and isolated showers in south. Warmer. Maximum temperature 18 deg C (64 deg F).

Outlook for Thursday to Saturday:
Warm sunny spells on Thursday, then a wet evening. Friday will be cloudy with outbreaks of rain. Saturday dry and warm with some sunshine.
